Provide Hot, Cold and Frozen Foods and Beverages in Confined Spaces!

Provide temperature controlled food and beverages quick and easily by giving food service personnel immediate access to pedestrian only areas.

Until now, there has not been a good solution for the provision of temperature controlled, food and beverages within confined, or pedestrian only areas within resort, hotel, office, manufacturing, warehouse and other facilities.

Our response was to design and manufacture the MFC Cart, which benefits from the same access capability and maneuverability as the METrans MT700.01 Personnel and Light Burden Transport Vehicle, thereby permitting food service personnel immediate access to pedestrian only areas to provide temperature controlled food and beverages.

The METrans MFC Cart pulled by the MT700.01 or separately by a Removable Steering Arm, are ready to quickly provide temperature controlled food and beverage to employees and customers in any confined environment.

Features of the MFC Cart/Trailer

- 110/12 Volt Dometic Onboard Refrigerator/Freezer or Refrigerator Only (optional, contact METrans for Current Pricing)*
- 110 Volt only Warming Oven (optional, contact METrans for Current Pricing)**
- Abundant Room Temperature Storage
- Three Folding Shelves to Increase Merchandising Capacity
- 5160 cubic inches of Shelf Storage (without optional warming oven)
- 8820 cubic inches of General Storage (without optional warming oven)
- Maximum Food, Food Equipment and Other Cargo Capacity of 400 lbs. (181.44 kg) (without optional warming oven)

**Refrigerator/Freezer, or Refrigerator only will not operate without 110 volt service or connection to METrans MT700.01 vehicle*

***Warming Oven will not operate with out 110 volt service*

See the **SHORT VIDEO** with the MFC Cart in Action at www.metransport.com
Contact METrans today to arrange a demonstration of the MT700.01 and MFC Cart.

METrans Micro Food Cart/Trailer (MFC)

SPECIFICATIONS*

WITH WARMING OVEN

Overall length (outside edge of tires, including Cart Steering Arm).....	49" (124.46cm)
Wheelbase.....	33" (83.82cm)
Cart Body overall length.....	38.5" (97.79cm)
Cart Body overall width	21.5" (54.61cm)
Height From Floor To Top of Oven	67.25" (170.81cm)
Height From Bottom of Body To Top of Oven.....	57.75" (146.68cm)
Oven Bin (19" deep by 20 wide by 24" tall)	2.83cu ft. (.080cu meter)
Lower Bin Capacity	9.21cu ft. (.261cu meter)
Middle Bin Capacity (21" x 40")	5.10cu ft. (.144cu meter)
Lower Shelf Capacity (10" x 40")	1.94cu ft. (.055cu meter)
Top Shelf Capacity (6" x 40").....	1.04cu ft. (.029cu meter)
Top Shelf Dimensions (6" x 40").....	10" x 38.5" (25.4cm x 97.79cm)
Curb (Empty) Weight.....	152 lbs. (68.95kg)
Cargo Capacity.....	375 lb. (170.10kg)
Gross Vehicle Weight (GVW) (375lb. cargo plus cart)	527 lbs. (239.04kg)
<small>(Dometic 110/12 volt Fridge Weight: 72 lbs. • Warming Oven Weight: 35+- lbs.)</small>	
Cargo Capacity (Net of Fridge and Warming Oven)	268 lb. (121.56kg)
Outside Turning Radius.....	72" (182.88cm)
<small>(disconnected from MT700.01, Removable Steering Arm Attached)</small>	

WITHOUT WARMING OVEN

Overall length (outside edge of tires, including Cart Steering Arm).....	49" (124.46cm)
Wheelbase.....	33" (83.82cm)
Cart Body overall length.....	38.5" (97.79cm)
Cart Body overall width	21.5" (54.61cm)
Height From Floor To Top of Cart	61.75" (156.85cm)
Height From Bottom of Body To Top of Cart	52" (132.08cm)
