

## Cargo Side Loader

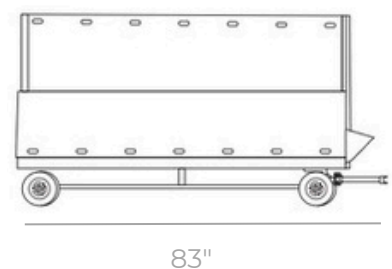

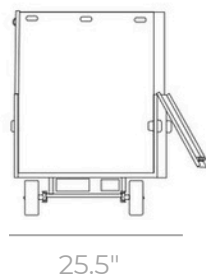

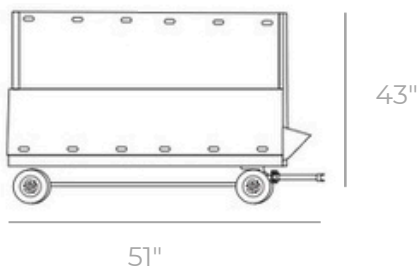

# CSL

800lb weight capacity

Equipped with sides that fold down, access cargo easily and safely. An innovative solution for trash collection, general maintenance, and carrying various types of cargo with an 800lb weight capacity. **OSHA approved.** Customization is available to create the perfect trailer for any job.

- Water resistant 2" deep liquid collection area at the bottom of the trailer body, with two **built-in gasketed stainless steel drains.**
- Equipped with an easy-to-install bungee net that, when installed, increases the volume of the trailer by approximately 1/3.
- **4-wheel steering.**
- Each component is powder coated for durability, corrosion and abrasion resistance, ease of maintenance and overall toughness.
- **Equipped with removable steering arm.**
- Tig welded, all aluminum body is .125" thick; aluminum floor is 1875".
- **Equipped with two rubber wheel chocks.**

(Available in two standard sizes)
